Property Description

PRIVACY! An elegant, unique retreat located a stone's throw from the burgeoning hub of Nosara, Costa Rica. Ahki Retreat is a private home/retreat rental, nestled amongst 5.75 mountain acres and boasts an excellent, long-standing reputation with yearly returning renters. Imbued with panoramic views of lush, green mountainsides, blue ocean waters, plentiful sunshine, and with its accessible location, AHKí is the perfect destination for home-owners looking for privacy or a space to offer retreats. As remote as AHKí feels, overlooking Playa Garza and Playa Guiones, you are only minutes away from beaches, kayaking, horseback riding, world-famous Nosara surfing, zip-lining, nature hikes, shopping, restaurants and more. What is so unique about Ahkí is that it truly is a sacred space - built specifically according to the ancient science of Vastu Shastra, \"the yoga of space\", invoking peace, wellness, and harmony.
