Property Description

Welcome to the beautiful Casa Bosque Fresco Del Colibri, secluded and contemporary home tucked away in the protected jungles of Rancho Villa Real. Offering 3 bedrooms, 2.5 bathrooms, and a large lot of 5494m², this home is the perfect tropical getaway! Upon entering the home you are greeted with a large, open concept living space featuring sky-high wood ceilings, and tons of natural light. The spanning 2600 sq ft floor plan features large windows throughout, offering stunning views of trees, flowers, and the amazing wildlife that Costa Rica has to offer. The living room, dining area, and kitchen offer custom wood furniture made from local Costa Rican Hardwoods. The master bedroom and guest suites are located towards the back of the home, offering the same high-end finishings throughout. Outdoor living space is a focus in this home. Steps outside the living room are the expansive deck and BBQ area.
