Property Description

Located just minutes from the internationally renowned Marina Pez Vela and the harbortown of Quepos, this three-bedroom townhome in the beautiful gated community of Hacienda Pacifica provides an amazing opportunity for anyone looking to live in paradise. In most cases, ocean view homes and condos in the vicinity of Quepos and Manuel Antonio tend towards the luxury market, however, this lot provides an accessible opportunity to acquire a spacious, brand-new house in about 5 months' time. Lot #14 is located on the left side of the Casitas complex, in the newest section of Hacienda Pacifica. The townhouse itself boasts a ground floor with a vast kitchen and comfortable living and dining area. Both of these internal spaces spill onto a covered back terrace that overlooks the vibrant gardens. Upstairs, there are three bedrooms and two baths. Each guest bedroom has beautiful windows, and the master bedroom has its own ensuite bathroom and large outdoor sun deck.
