Property Description

Are you looking for land to build your dream home? This is your chance! Lote del Bosque #32 has it all: easy access, water, electricity and it is ready to build! The lot measuring 5107 sqm. offers two terraces in different levels, all of them with views of the jungle and mountains of the surrounding valley. It is the perfect place to build your dream home in a gorgeous location. With this piece of land you get the best of both worlds, the exclusivity, privacy and nature surrounding but also the proximity to town (5 minute drive). The adjacent lot is currently also for sale, which means you will get a better price if you decide to buy both of them. This is a golden opportunity that you should not miss. For visits, video tours and more information contact us today!
