Property Description

This beautiful ocean view home is located on the ridge overlooking the beaches of Nosara. Located in the San Juan area of our community this beautiful home sits on just approximately 1.35 Acre nestled into the jungle with an amazing view looking out over a sea of green out to the vast pacific ocean. Relax on the patio and enjoy the wildlife in the area, birds flocking from tree to tree and wild monkeys and much more! In the afternoons enjoy a beautiful sunset view over the jungle and the sun dropping into the pacific from your private patio! There is room for additional structures if desired as well as a private pool. For more information about this fantastic jungle, paradise contact Brian@surfingnosara.com or swing by our office located in Down Town Guiones across from the tennis courts next to Banco Popular and Olo Alaia Surf & Brew.
