Property Description

Welcome to this amazing 2 bedroom and 2 bathroom home located in the great community of San Antonio of Quepos. This beautiful home is located on the hillside of the estate with great landscaped gardens and amazing temperatures all day long. The 3163sqm (0.78 acres) of land has multiple areas where you could build additional villas or a guest house. The house was designed so that it does not receive direct sunlight at any time of the day. This is a single level distribution home with 2 bedrooms and 2 full bathrooms with over 1,700 SF of living space. The kitchen has been outfitted with custom cabinetry, built in gas propane stove and porcelain counter top. The high ceilings give this already spacious home an open design and allows the natural light to fill the room. The Master Bedroom has its own private bathroom, air conditioner, and ceiling fan. The second bedroom features a ceiling fan and easy access to the guest bathroom.
