Property Description

This is largest of the Paradise Breezes Villas and will literally take your breath away with unforgettable panoramic views. Entry into Paradise Breezes is through a secure gated entrance and the homes resides a short easy 2 minute drive up a well maintained road through natural Costa Rican fauna. Nestled away amongst a backdrop of serene jungle, the home of Villa Buena Vista boasts majestic wide-open views over the Pacific Ocean. Listen to the waves of Dominical, Guapil and Hatillo crashing in the background while gazing upon the sunsets right out front. Once stepping foot inside, attention is demanded by the expansive colourful great room. Walk upon the crisp white tile throughout admiring top of the line modern furnishings, efficient lighting fixtures, A/C and fans in every room, and the overall sense of divinity and sophistication this villa has to share. The kitchen exudes elegance with dark wood cabinetry and doors, stainless steel upscale kitchen appliances and granite countertops.
