Property Description

People from all over the world dream of owning a home in the Costa Rican Southern Pacific zone for its wild beaches, the wildlife diversity, and its perfect tropical climate year-round. Make your dream of owning a house a reality with this 4-acre property full of fruit trees, lush tropical forest, and a river with natural pools. Situated in Ojochal, the property is minutes from the holistic school Life Project Education - 5 minutes from the world-class fine dining restaurants and grocery shops of Ojochal, 10 minutes from a selection of national beach reserves, and 15 minutes from Uvita town and the famous Marino Ballena National Park. This stunning homesite overlooks a private jungle and river and also offers the potential of a mountain view. This is truly a privileged location. The property has space to build at least 3 or 4 more houses or casitas, which makes it a great investment potential.
