Property Description

Casa Selva Verde is a beautiful property located in the Santa Marta area of Nosara. The property runs from the main road of Santa Marta all the way back to Rio Nosara approximately 350 meters behind. The home is nestled on top of a small hill in the middle of the property overlooking the lush jungle and pastures. Jungle trails from the house leading to the river behind the property are a beautiful addition. This amazing property is a Horticulture Paradise! Ample grounds for large private gardens, Lush tropical jungle to the back of the property, fishing with the kids at the river or Kayak in the Jungle from your back yard! This property is a Jungle Paradise! Selva Verde has a gated entry with a long driveway through the front pasture area. As you enter you are greeted with a large Banana crop to the left just before heading to the hilltop with a 2 bedroom home overlooking the property. The home is constructed of all concrete and was built in 2019 by the owner.
