## Property Description

Looking for a private jungle home but close to town? Casas Mango & Banana is the answer! Located in Cuesta Grande, a short 15 minute drive to Samara, this quarter-acre property is just five minutes from the popular Belen Waterfall and includes two small homes nestled into the hillside providing plenty of privacy without sacrificing convenience. Built in 2011 and 2013, both houses are one bedroom, one bath with a modern kitchen and eating area. Casa Mango sits at the front of the property and walks out to the covered patio that includes a sitting area as well as an outdoor sink and barbeque. Casa Banana sits higher on the property, is slightly larger than Casa Mango and includes A/C in the bedroom, a washing machine as well as a nice-sized pool. Solidly constructed with teak ceilings, doors, and trim, and aluminum sliding windows with security bars, both houses are being sold fully furnished and equipped.
