Property Description

This brand new home is located in Bahía and has a almost 2,000 sq ft of construction on a 3,595 sq ft lot. The home is currently finish. On-site tours are encouraged to see the quality and finishing of the house. Purchase now and we will also schedule a site visit via live video tour to walk through the house. The house design is ideal for the area of Uvita. The local and trusted developer has built it with tall vaulted ceilings and big glass sliding doors that retract to open up to the outdoor areas from the master suite and the living room. The entrance welcomes you to open concept living and kitchen area, beautiful granite counters and quality constructed cabinets and kitchen Island, and top quality appliances. The master bedroom with ensuite bath also overlooks the garden and pool. With the split floor plan you will find the two spacious guest bedrooms and shared Bathroom at the other end of the home.
