Property Description

Looking to reside in a tropical paradise? Located in the South Pacific of Dominical, this ocean view property includes everything you'd possibly want. Over 5.5 acres of gently sloping land surrounded by a lush rainforest jungle and hiking trails, where you'll see monkeys, toucans, and sloths. With beautiful landscaping, creek trails, and large rocks, this property feels zen-like. It features a large main house and two rental cabins, making this property ideal for a retreat center or a vacation home with rental cabins. The main house features three bedrooms and one bathroom and can comfortably sleep, six guests. It has a rustic vibe and includes an open-air design, allowing you to feel the cool ocean breeze and as well as stunning ocean and jungle views. There are three bedrooms, including one spacious master bedroom with a king bed. The two additional bedrooms currently house two beds each, making it accessible for lots of people.
