Property Description

Casa Los Monos is a brand-new peaceful home nestled in the lush jungle behind Samara Beach. The home is surrounded by huge mature native trees that the monkeys, birds and wildlife love to visit. It's not uncommon to wake up and have your morning coffee with a troop of monkeys and see a flock of parrots fly by. The home is angled towards the mountain views to the east, the large front deck built round the infinity edge pool is the perfect place to hang out and take in the nature. The home features an open concept living area and kitchen with a chill lounge area to relax and watch TV and an efficiently designed kitchen with tons of counter space, a breakfast bar and sliding windows that open up to the front deck. The master bedroom features plenty of built-in closet space, split AC, a large king size bed and sliding doors that open up to the view and the front deck. The second bedroom also has split AC and opens up to the front deck.
