Property Description

This new modern home in Miravalles has everything you're looking for. Located in the popular mountain barrio about 10 minutes north of San Isidro de El General, this property offers stunning views of the mountains, valley, and city lights and sits at an altitude of around 1,000 meters (3,280 feet), offering a near perfect micro-climate. And, to top it off, drive time to the beach is only about 1 hour! As you enter the home, either through the carport or front covered main entrance, you'll find a spacious kitchen and dining area that drops down to a high ceiling living area with floor to ceiling windows that maximize the amazing views. Just off the living area is a bedroom with double doors opening up to the backyard. This bedroom, as all, features a large en-suite bathroom. Behind the kitchen is another bedroom with ensuite bathroom. There is also a small room that can be used for storage or as an office.
