Property Description

Here is a fantastic mountain and river view lot with legal water, electricity and fiber optic internet, located in the gated community of Portasol. The property is 10 minutes to Playa Matapalo, 20 minutes to Dominical and 25 minutes to Quepos/Manuel Antonio and Marina Pez Vela. It is a jewel in the middle of the rainforest. The property is over 1.27 acres (5,140sqm) and is nestled in a beautiful rainforest with breathtaking river, mountain and rainforest views. You can enjoy the cool breezes all day long coming from the river thru the main building pad and do your morning hike every day in your private path to the Portalon River and cascades at the bottom of the property. Since the property is at the far end of the development, you only have the sights and sound of nature that surround the property and your future dream home with no other homes in sight. Portasol Gated Community: Portasol Rainforest and Ocean View is a sustainable Gated Community of over 1300 acres of pristine Costa Rican rainforest and offers trails, waterfalls, swimming holes in the river and creeks, bike tours, amazing bird watching, beautiful sounds of the river and waterfalls and easy access to the main highway through well-maintained roads.
