Property Description

Buena Vista Project is a beautiful combination of comfortable family living amidst the beautiful Costa Rican jungle. Very close to Samara Beach, just a short 5-min drive, where you can find all amenities: big supermarkets, bars and restaurants, and all you need for your general every day life. Just a few minutes further, you'll find other renowned beaches such as Carrillo Beach, and the neighboring Buena Vista Beach, both less than 15-minute drive away. Project Buena Vista consists of two flat platforms that together add up to almost 7000m2. On the upper platform we find two beautiful houses built and finished in 2022, made with the best current construction materials, each one with independent and private access. The houses are modern in style and come fully equipped. Large terraces, beautiful pools, outdoor dining area and other beautiful features, are part of this magnificent construction.
