Property Description

An amazing opportunity to purchase a partially developed gated community. This project comes with an approved condo regime and planning for hotel/retreat centre overlooking a volcanic sand beach. Roads, electricity and water have already been built, offering pathways along the beautifully contoured hillsides. The current owners are looking for a buyer that will develop the property in an eco-conscious way and benefit the wider community. For more information on this amazing opportunity please do not hesitate to contact Surfing Nosara at info@surfingnosara.com.
