This popular, well-known condominium building is a mainstay for Tamarindo. For more than 15 years, this building has provided people with superb rental returns as well as a comfortable apartment to make your home. There is a wonderful mix of good people who live, own and rent here. With security guards at night and a perimeter fence, you will have no security concerns. There are 2 pools with outdoor showers and 2 outdoor ranchos with seating and tables for 6-8 people, as well as lounge chairs and a number of off-road parking spots. This 2 bed 2.5 bath apartment is a 2nd floor unit facing the south west with views of the pool. It has been primarily used as a long term rental unit. Both the master and the guest bedroom have air conditioning, ensuite bathrooms with hot water and built-in closets. Above the closets is an area commonly used as owners storage. The master bedroom also benefits from a private balcony with a pool view accessed by floor to ceiling sliding doors.
