Property Description

Beautiful spacious home located in Laboratorio neighborhood, only 10 minutes from San Isidro de El General, 5 minutes to Walmart, supermarkets, schools, farmers market and public transportation. It is a single-story home with 7 rooms and 4 bathrooms. It offers great living space both inside and out, making it a perfect home for a big family. The house was built in 1995 with high-quality materials and fine finishes, which is why the house meets the anti seismic requirement, it also has a modern kitchen with stainless steel appliances, a formal dining room a family room with a cozy t.v area and a play room. The backyard is perfect for outdoor activities and features, a covered patio and plenty of room to entertain. There is also a three-car attached garage and plenty of additional parking. You can also add amenities such as a pool, a hot tub, a patio, a deck or a fire pit, the possibilities in this house are endless, and conveniently has a lot of space to be creative and making it feel like your own.
