Property Description

Casa Playa Vista is an incredible, luxury home located in the heart of Manuel Antonio with easy walking access to a pristine and secluded beach. This home's prime location provides tremendous privacy, exclusivity, amazing views and a beach below the house that awaits just you and yours. The open floor plan with floor to ceiling sliding doors surround the main living area with 10 foot ceilings throughout provides fantastic scenery from every angle, including the infinity pool with a sit down bench to watch the amazing sunset Ocean Views. The unique floating bridge entrance way leads you into a 6000 square foot climate controlled living space that is spread out over 3 levels with 4 bedrooms with 4 baths. This house is extremely spacious and comfortable. Enjoy the media room that has a full wall projection TV, full bar, wine refrigerator, ice maker and complete entertaining area that opens to an amphitheater style water feature are just a few of the many custom touches that makes this home stand out from all of the others.
