Property Description

Sale, Single Family Home with a Dream Lifestyle in Hacienda del Sol Gated Community, Santa Ana. Starting from its privileged location inside the prime community of Hacienda del Sol, this home offers great natural illumination, double height ceilings, spacious kitchen, large terrace and garden with its own pool, private parking for 6 cars, open views from upstairs and a Luxurious Master Suite! Location, location, location, the basic principle of Real Estate... This home exceeds the "triple L", first it is inside the exclusive community of Hacienda del Sol, and second, this was the original developer's personal house, which means a generous size carefully selected lot, with one of the best views in the complex and with the added benefit of bordering a green zone in the back instead of other houses! What else makes this property special? Being that this used to be the developer's own house, it comes with a double high ceiling in the living room, extra-large kitchen and terrace, luxury finishes, own pool, and more.
