Property Description

Richard Muller and his team were tasked with designing an estate-style home on the largest and most expansive home site in Senderos' Las Crestas development. Beautiful and spacious courtyard entry yard and driveway, with a "grand" entry to the home itself. The indoor dining area is seamlessly blended with large outdoor terraces thanks to a massive gourmet kitchen and social/entertainment area. The whole home has five master bedroom suites (all with en-suite baths), a full one-bedroom apartment for nanny/service guests, a gym/yoga room, a game room, an outdoor kitchen palapa, a three-car garage, and much more. The whole home was designed to entertain! Step outside to enjoy the grand terraces and gardens that comprise the outdoor areas. The massive outdoor covered living and dining area, as well as the outdoor gourmet kitchen and BBQ areas, are adjacent to the infinity pool, which includes a 15-meter/50-foot "Lap Pool" within.
