Property Description

Welcome Home! This beautiful gated home is situated in the hills of Ojochal. A 3 bedroom 3 bath and priced to sell. Compare to homes on 500 meter lots in Uvita. Yes it has it all! Stunning Mountain Views of the Ojochal Valley and Ocean view window of the rock formations off the coast. The property is situated on prime real estate directly off Perezoso road. Nice breezes and landscaping make this an ideal place to kick off the shoes and relax or take a dip in the pool. 3 bed 3 bath with a separate gated entry for a future Cabina or subdivide and sell. There is also a large bodega on site for storage. Nice poolside covered patio for those lazy days and a dishwasher for the wine glasses. If that's not enough, it's just a few minutes to the beach. Grab some fruit off the tree and go. This well thought out home was recently completed in 2021 by M&Y Building and Design, a husband-and-wife team that are known for combining design and technology.
